Experience The Services With Fascent Values

Fascent Maintenance is a service oriented focused corporate, with revolutionary features providing professionally managed services to the overall benefit and satisfaction of our customers.

We have pioneered the Art of reaching to the consumers hearts with reliable and efficient, trustworthy services. Service with Values is our prime rationale on which our entire profile is based upon.

Fascent Maintenance commenced operations when it discovered the need to provide services which are tailormade for our customers with a vision to satisfy their requirements . We confidently service, Group Housing Societies, Commercial Buildings, IT Parks, Events, Hospitals, Hotels and Industries etc.

We specialize in offering services with technical knowhow especially for establishments like IT Park and Hospitals. We have a professionally managed set-up. Our Core value is to provide our clients with reliable & quality maintenance services for all categories of establishments offering a spectrum of services.

Fascent Maintenance is venturing into the market with revolutionary features ably supported by artificial intelligence and systems. We have an efficient team of personnel who provide services with due care and knowledge. They are very well trained and always updated with the latest technology and procedures.

WE ARE A VALUE AND EFFICIENT MANPOWER BASED GROUP

We train & groom our manpower for overall satisfaction of our customers, business growth and progress

Fascent maintenance seeks to synergize and merge the qualities and qualifications of the manpower to effectively bring a revolution in the service industry.

We bring the best of manpower and providers to your doorsteps. Our individual experiences, powerful insights and attention to details enable us to identify the most efficient manpower service provider across a broad range of professional levels, industries and companies across India.

Fascent Maintenance offers extensive and diverse experience to manage services like housekeeping, electromechanical, kitchen stewarding services, pantry services, facade cleaning, horticulture, payroll management, security services (through third party) etc.

We have been effectively utilizing the mix of manpower and most modern machineries and systems generating mutually beneficial results with a strong plan to cater our future corporate clients, and go to great lengths to ensure satisfaction to our customers.

We have effectively authored specific methods to meet the demands of our clientele with improvised techniques and efficient manpower.

OUR MISSION:

Fascent Mission is to cater to the diverse needs of customers generating solutions for a complex environment, dedicating itself to delivering a high level of competency, professionalism, maintaining industry leadership while continuously improving clients and applicants relationship and sustaining collaborative endeavors.

Our Vision

We want to master and excel in the assignments we take up, understand and embrace the challenges, explore paradigm shift solutions, optimize the output from the minimized resources and gain faster results with “Delivery Excellence”.

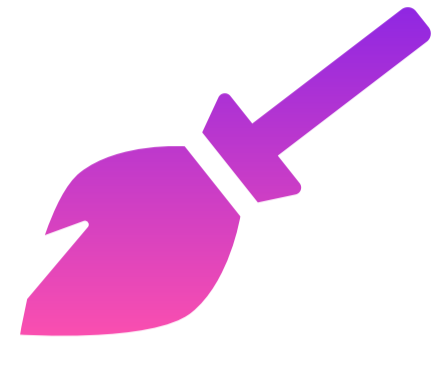

Our Principles and Practice

Our goal is to maintain good and harmonious relations with principals and employers and ensuring maximum employment benefits to the Workers, not only in terms of salary but also other non-wages considerations. In furtherance thereof, undertake research and development studies, initiatives, strengthen linkages with the objective of attaining the success of these goals.
